Re: Mo Parker Relays Information

Dear Coaches,

The annual Mo Parker Relays will be held **Thursday, March 8, 2018**. This meet will include three divisions: JV and Varsity Boys, and Varsity Girls.

The entry fees for the varsity divisions will be \$125, and the JV division will be \$100. Medals will be awarded for the top three finishers in each race as well as relay plaques for winners and an overall team trophy. A "Big Man's Relay" will be run at the beginning of the running events.

The Hooks Athletic Booster Club will also be able to provide meals for your team at \$6 per meal, which includes a hamburger, chips, drink, and a candy bar. We will have to get a meal count about a week early if you would like to order meals. An exact count will not be necessary until the day of.

We are looking forward to your participation in our meet. Please reply as soon as possible, as we will limit the meet to the first 10 teams that respond.

A meet schedule is attached separately.

Please email Sheila Mahar at Mahars@hooksisd.net and give her an approximate number of meals.
