Dear Coaches:

Fredericksburg will host the 51st Annual Carlin Wicker Fredericksburg Relays on Saturday March 4th, 2017. We will accept the first 8 teams that confirm their participation with the second page response letter.

The 3200/Field Events will be held in the morning and the running finals only will be after the conclusion of the morning events. We plan to use Hy-Teks computer scoring and seed heating along with Eagle Eye Pro 100 FAT timing. All entries will be submitted **ONLINE** at Athletic.net. I will send the entry instructions and the schedule of events to the confirmed teams in January.

The entry fee will be **\$475.00 per school (includes all 4 divisions) or \$150 per division entered if it is not a full school.** Please make checks payable to Fredericksburg ISD. All checks should be sent directly to Fredericksburg ISD, Attention: Steve Jacoby, 234 Friendship Lane, Fredericksburg, Texas 78624. Please indicate to me if you will be bringing the check the day of the meet.

We will be providing a lunch for coaches and workers between the morning and afternoon sessions. Please indicate how many coaches we need to order plates for on your confirmation sheet. Also the Fredericksburg Billie Boosters will be offering student lunch deals (\$6-7) at our concession stand for coaches and athletes.

We will award custom colored medals for the top 3 finishers in each event and award a championship plaque to the overall team in each division. Medals and results will be available for pick-up at the completion of the meet.

We are looking forward to hosting you and your athletes!
