Dear Coaches:

Fredericksburg will host the 52nd Annual Carlin Wicker Fredericksburg Relays on Thursday March 29th, 2018. We will be accepting 6-7 teams for the meet from the second page response letter. The meet will be organized by UIL/NFHS Rules. We already have verbal confirmed teams (Fredericksburg/Kerrville/Rocksprings/Boerne Geneva) with 2 spots open.

The 3200m/Field Events will begin at 2:30pm and the running finals will be after the conclusion of the field events on a rolling schedule. We plan to use Hy-Teks computer scoring and seed heating along with FAT timing. All entries will be submitted **ONLINE** at Athletic.net. I will send the entry instructions and the schedule of events to the confirmed teams at a later date.

The entry fee will be **\$475.00 per school (includes all 4 divisions) or \$150 per division entered if it is not a full school. Schools entering all 4 divisions will take priority for confirmed teams.** Please make checks payable to Fredericksburg ISD. All checks should be sent directly to Fredericksburg ISD, Attention: Steve Jacoby, 234 Friendship Lane, Fredericksburg, Texas 78624. It is preferred all entry fees are mailed and received prior to March 24th. If bringing entry fees the day of the meet, please notify us.

The Fredericksburg Athletic Billie Boosters will be offering student lunch deals (\$6-7) at our concession stand for athletes. We will be providing this meal deal for coaches and workers during the meet. Please indicate how many track coaches you will have attending on your confirmation sheet.

We will award custom colored medals for the top 3 finishers in each event and award a championship plaque to the overall team in each division. Medals and results will be available for pick-up at the completion of the meet.

We are looking forward to hosting you and your athletes!
