# 2021 Blackland Divide Relays COVID Regulations

As many of you know, the UIL has mandated certain rules and regulations be followed due to COVID. As a result, we will take the following actions to help mitigate the risk to the athletes, coaches, workers, and spectators.

- 1) Each team will have a designated team area that will be shared by both boys and girls teams for that school.
- 2) Social distancing should be followed when possible by athletes, coaches and spectators.
- 3) Please remind your athletes that when they are not on the track competing, that a mask should be worn. All other individuals should wear a mask at all times.
- 4) Each team will have a designated warm up area to be used for pre-race warm ups. Please discourage your athletes that are not preparing for a race, to congregate in this area.
- 5) There will be a designated cooldown area that an athlete will be able to use after a race. Please encourage the athletes to use this space quickly and then return to their team camp.
- 6) Spectators will not be allowed on the track or field. Spectators should stay in designated spectator areas.
- 7) Implements will not be pooled. Schools should mark their implements before reporting to an event.

# ***JUNIOR BLACKLAND DIVIDE RELAYS***

ROSCOE, TEXAS  
THURSDAY, MARCH 9<sup>th</sup>, 2021
