

Moss-Eaddy Scholarship Video Guidelines

Congratulations!

Your Head Coach has nominated you for the Moss-Eaddy Scholarship presented by the TTFCa on Friday evening of its annual two-day coaches' clinic.

The Moss-Eaddy Scholarship IS NOT a track-performance based scholarship; rather, this scholarship is based on academics and community service: you do well in the classroom, and your impact upon your local community is great.

How do you, the student-athlete, compete for the Moss-Eaddy Scholarship? Through video! We want to get to know you a little better, on a more personal level, so here's what we're looking for: an original video of how you impact your community. Introduce us to your local community, and show us the impact you've made. The video should last between 1 and 3 minutes. You may upload the video to YouTube or Vimeo and send us the link, or you may email the link in a Dropbox file, etc. Be Yourself! Have Fun!

All information pertaining to this scholarship, including eligibility dates and the full process to declare two winners, can be found at the link below:

Please make sure you read the entire webpage. When you send us the video, please make sure you email this cover page so we can watch the video and attach name and face 😊
